

Dear Mr. O'Brien,

On behalf of the directors of the Cork Animal care Society we would like to express our sincere appreciation for the help and support we have received from the staff at your self-service facility. Kieran, John and Cathy have gone out of their way to help us and your generosity and support has made it a true pleasure in dealing with the facility. In these days where customer service has become a lip-service concept, your team has shown on so many occasions that real old fashioned customer service still exist and help to your customers is what they pride themselves in. Your generosity in allowing us to have our unit rent free has directly contributed to the number of lives we have been able to save over the years as these saved funds have been allocated to our considerable veterinary expenses. Please feel free to use this unsolicited testimony as you see fit.

Yours Sincerely

Albert A Kleyn  
Chairman, the Cork Animal Care Society.
