

### **Wm. O'Brien Public Storage:**

Samaritan's Purse is an international Christian relief agency, and Operation Christmas Child is the world's largest annual shoebox appeal for children. From this appeal Christmas presents are being shipped into Haiti, Africa, Central Asia and Eastern Europe.

Wm. O'Brien Public Storage act as a "drop off point" (DOP) for members of the public and organisations to drop off their shoeboxes for collection by SP. However the highly motivated and professional staff go way beyond the definition of what a DOP is. They distribute leaflets to schools and anyone who wants them: they encourage people to do shoeboxes; they collect shoeboxes from all over Cork; they store them and then coordinate the collection of shoeboxes for export. This is all done with a smile and very positive manner which makes it a pleasure to deal with them.

As an organisation we are very pleased to be working with them
