

Scoil an Spioraid Naoimh (B) Parents Association

c/o Scoil an Spioraid Naoimh Boys School

Curraheen Road

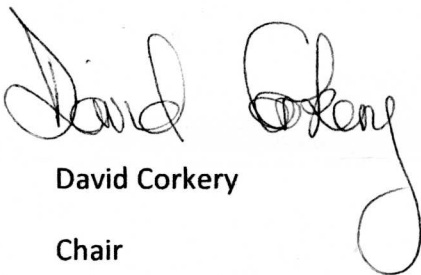

Bishopstown

Dear Mr O'Brien,

This year the Parent's Association, with the management of the boy's school arranged for the First Communion class to wear a specially purchased school blazer on the day of the First Communion. This was the first year the school had this arrangement and by common consent it was very successful and the boys looked very well on the day. This was made possible thanks to the efforts of a lot of different people and included among these is your company's generosity in providing us with storage facilities. Without these we would have had a significant logistical problem in storing the blazers during the year in appropriate conditions. Thanks to the availability of your facility this is no longer a problem for us and the quality of the unit is such that it will extend the life time of the blazers and reduce costs for everyone.

On behalf of the Parents Association I would like to sincerely thank you for your generosity. It really is very much appreciated.

With many thanks

David Corkery
Chair
